**REPLY TO NOTICE OF NON-COMPLIANT AMENDMENT**

Sir:

This paper responds to the notice of non-compliant amendment mailed 22 February 2010. This reply is filed within the 30-day period for response specified in that communication and is therefore timely.

The reply to the outstanding non-final Office action filed 1 October 2009 erroneously included amendments to canceled claims 39-41. The substitute claim listing that follows properly indicates that only claims 42-48 are pending. As the 1 October amendment is otherwise in good order, applicant is not resubmitting the balance of that paper.

Applicant believes that no fee is due in connection with this submission, but any fee that may be required for entry or consideration of this paper may be charged to our Deposit Account No. 18-1260.
